🌸 ☐ 🌸 ☐ The Judgment Day is fifty thousand years long and it's so extremely hot that people will sweat heavily and their tongues will be out of their mouths from the extreme thirst and the only one from the nation of Prophet Muhammad (peace and blessings of Allah be upon him) Who will never feel that is the fasting person who will drink from the Basin of Al-Kawthar according to what was said by Prophet Muhammad (peace and blessings of Allah be upon him):

"My basin is as long as the distance between Adan and Amman, it's colder than ice and sweeter than honey and smells better than misk and its cups are like the stars of the sky he who drinks from it will never feel thirsty"(1)

(1)It was narrated by Imam Ahmed after Abdullah Ibn Amr (may be blessed by Allah).
