

## **QUR'AN AND ACTUAL WORSHIP**

**I'll read another line from the prescription to you, listen O my brothers, Allah says to us all:**

***"And say (O Muhammad) "Do deeds! Allah will see your deeds, and (so will) His Messenger and believers. And you will be brought back to the All-Knower of the unseen and the seen. Then He will inform you of what you used to do." 9-105***

**Actual worship, means to follow each verse in the book of Allah, because each verse in the book of Allah is a plea either for or against you, if you fulfill it, it is for you and it will intercede for you at the day when you meet Allah, but if you don't follow it, it is against you at the day when you meet Allah, because reckoning at the day of judgment will be by Koran, Koran will be brought then the nation of Koran will be reckoned in front of Allah, not on reciting Koran but on following Koran.**

**Actual worship is to make the book of Allah control your life and to make it your imam in your movements and stillness, because there is not a small or a big thing but it mentioned and clarified. Know that Allah sanctifies this nation, blesses its provisions, reforms its youths and protects its women as long as they respect Koran and make it controlling all fields of their lives.**

**Actual worship is even in asking a question, if you are going to do something and don't know its way in Koran, you should go to people of remembrance, scholars and wise people and ask them about the opinion of Koran in this matter to follow orders of Allah because Allah didn't leave anything to confuse them as long as they follow the words of Allah.**

**A believer works to be honorable among his brothers by Allah, and the whole Islamic society becomes honorable by Allah among the whole world.**
