

🌷🌷🌷 What should we do during Seclusion in the Mosque? 🌷🌷🌷

💖🖐️🗲️💖🖐️🗲️ It's favorable for the Muslim who secludes in the Mosque to glorify Allah by reciting the holy Quran, asking His peace and blessings for Prophet Muhammad (peace and blessings of Allah be upon him), seeking Allah's forgiveness and studying science. We should scent ourselves, have our hair cut, wash our bodies and get dressed well.
