

ACTS OF WORSHIP OF PEOPLE OF HIGH RANK

Look at the acts of worship which the prophet mentioned as the greatest Nawafel (non-obligatory acts of worship) a Muslim can do, it is greater than non-obligatory pilgrimage and greater than non-obligatory prayers, the prophet (May the blessings and peace of Allah be upon him) said about it:

"I'll tell you about what is better in degree than fasting, prayers and charity (he means non-obligatory). They said: Yes. He said: Making peace among people, because making enmity among people is the shaver."

In another narration the prophet (May the blessings and peace of Allah be upon him) said: "It is the shaver, I don't mean to shave hair but shave religion"¹

Whoever spent a night making peace between two people who are quarrelling is better than that who spent the night worshipping and supplicating in front of Ka'ba.

These are the acts of worship Allah ordered us to do, they contain solidarity, mercy and populating this life following the orders of Allah and the method of Allah's beloved and chosen prophet.
