

How Did Allah Prepare The Greatest Doctor Of The Pharmacy Mohammed

(May the blessings and peace of Allah be upon him)

(1)

In order not to be confused, and to be assured of the cures of our Lord, we say by Allah's guidance:

Allah prepared the chosen beloved prophet, (May the blessings and peace of Allah be upon him) as he is the greatest doctor and the honored wise man for this unique mission, then He made him the perfect example and the practical live model. He (upon him the best blessing and the perfect peace) was a Koran walking on land. When Mrs. Aa'Isha was asked about his manners she said:

*"His manners were the Koran, don't you read the Koran, Allah says: And verily, you (O Muhammad) are on an exalted standard of character."*¹

Let's now see how Allah prepared his beloved by these beauties, perfections, cures, secrets and lights until he became this unique perfect example going among people.

Firstly:

Allah chose him, brought him up under His eye and taught him by Himself. He didn't have a teacher or an instructor, so that no one has grace or guardianship upon him or his nation, Allah said to him in the Koran assuring this unique honor:

"And (Allah) taught you that which you knew not. And Ever Great is the Grace of Allah unto you (O Muhammad)." 4- 113

He (May the blessings and peace of Allah be upon him) said about that when our sir Aba-Bakr asked him:

"O messenger of Allah I knew princes, great men and kings, I didn't see your manners, who taught you O messenger of Allah?" He said:

*"My lord brought me up so well."*²

Allah made him wise in his words, an example in his behavior and deeds and perfect in his manners until he became so perfect in his manners, Allah praised him in His book e.g.:

"And verily, you (O Muhammad) are on an exalted standard of character."
68- 4

Allah informed us all that the perfect guidance in any matter concerning religion, this life and the hereafter, only comes by obeying him, He says:

"If you obey him, you shall be on the right guidance." 24- 54

¹ Saad Ibn Hesham Ibn Amer said: *"I came to Aa'Isha and said: O Mother of believers, tell me the manners of the messenger of Allah," she said: "His manners were the Quran, don't you read the Quran, Allah says: And verily, you (O Muhammad) are on an exalted standard of character."* Mosnad Imam Ahmed.

² Ibn Al-Samaany in Adab Al-Imlaa by Ibn Masood, Jamea Al-Ahadeeth Wal-Maraseel.

If we obey him, we will be guided, why we look for solutions to our economic problems with nations that all their principles are personal principles made by men with desires and mistakes and leave the perfect tested healings with no mistakes, Allah says about them:

"It is only an Inspiration that is inspired." 53- 4

So we can say that Allah gave him luminous spirit to infer the needs of human societies, and spiritual transparent insight to look at the illnesses of souls, bodies and societies to put by the order and permission of Allah, a cure for every disease with perfect wisdom and high mercy by which Allah described his relation with his nation and set this in His Koran and said to us about that:

"For the believers (he is) full of pity, kind, and merciful." 9- 128

This was the first preparation to him (May the blessings and peace of Allah be upon him) in the spiritual and moral side.
