

FRUITS OF ACTUAL WORSHIP

The mellow gardens of actual worship have countless fruits, if we become like the people of actual worship, fulfill Koran and make it the judge and the controller of our lives:

- **Happiness will be prevailed in our houses, streets, villages and society.**
- **Angels appear in our streets among us.**
- **Bounties will come out of land and come down from heavens for us.**
- **Riches will exceed as the prophet said in his Hadith: "A Muslim carries his charity and never finds anyone to take it." Because Allah enriches all people by following the teachings of the book of Allah, Allah says:**

"And if the people of the towns had believed and had piety, certainly, We should have opened for them blessings from the heaven and the earth," 7-96

These blessings coming from the earth and the heavens are not only tangible blessings and wealth, but blessings from the heavens i.e. from higher world such as mind, understanding, inspiration and meanings from higher worlds and blessings from the earth in bodies, subsistence, foods, health and ages. Actual worship of this meaning is the connecting door to Allah's bounties and his inspirations.
