

Permanent remembrance of Allah

The first duty for us as believers is the two testimonies: To testify that there is no God but Allah and that Mohammed is the messenger of Allah, Allah ordered us to utter it in every prayer once or twice during last Tashahod, does it have Nawafel (options)? Yes, as Allah says:

33-41: "O you who believe, remember GOD frequently."

It is not enough to utter the two testimonies only twice in prayers. What prevents me during sitting, going, coming, or sleeping to move the tongue by remembering Allah? The prophet (May the blessings and peace of Allah be upon him) said:

"There is no deed man can do to save him from Allah's punishment like remembering Allah."¹

Whoever Oh messenger of Allah amongst your companions is in higher positions? He said:

"Al-Mofradoon exceeded. They said: Oh messenger of Allah, who are Al-Mofradoon? He said: Those who easily remember Allah, remembrance reduce their sins so they come light at the Day of Judgment."²

¹ It was narrated After Mo'az Ibn-Jabal in Mosnad Al-Imam Ahmed Ibn-Hambal (May Allah be pleased with him).

² It was narrated in Sonan Attermedhy after Abi-Horayrah (May Allah be pleased with him).
